

# 2010 Kickers Information

## Time Frame

- ~ 4 & 5 year-old session is 6:00 – 7:00pm
- ~ 6, 7 & 8 year-old session is 6:30 – 8:00pm

## Sessions

- ~ The first-half of session is devoted to instruction. Please walk your child at the start of every Kickers weekly session to his/her starting field which will be identified by the t-shirt color of his/her coach.  
Yellow = 4 yr olds | Green = 5 yr olds | Blue = 6 yr olds | Red = 7&8 yr olds
- ~ The second-half of Kickers session consists of small-sided games, played between age and skill appropriate teams.

## Parent Participation

- ~ There will be times that parental help is needed and every parent is expected to volunteer at least one session during the Little Kickers season. Coaches will be asking the side-lines for help in easy ways (sometimes it's as simple as "being a cone") and this is where you come in!

## Weather

- ~ Little Kickers will be cancelled only in case of severe weather. Please go to [www.forestlakesoccer.org](http://www.forestlakesoccer.org) at 5:30PM it will be posted if it is a "rain-out".
- ~ A flag system will be implemented at the fields. There will be a flagpole by the shed. See a red flag? Kickers is cancelled. Green means Kickers is a go. Kickers will not normally be called off due to rain. (Of course, you will need to make the decision as to "weather" your child is up to participating.)
